

Carbon conscious? Go real and use washable nappies

Eight million disposable nappies are thrown away every day in the UK and mostly go to landfill. Cut your household rubbish by up to half and help the environment by choosing real nappies.

This scheme has been set up to say thank you to parents who are using real washable nappies on their babies rather than disposables being used once and thrown into landfill.

When you spend over £50 purchasing washable nappies, covers or training pants from any company, or subscribe to a nappy laundry service, Luton Borough Council will give you £40 back!

To receive your £40 cash back, please complete the details in the box on the right, and provide copies of itemised receipts to a minimum of £50 and send to:

The Waste Minimisation Officer, Street Services Waste Management, Central Depot, Kingsway, Luton LU4 8AU

Claim £40 back...
