

Luton Trades Seminar

An opportunity for Luton Licensed drivers, vehicle owners and operators to receive help, advice and guidance from a representative from Velocity

Velocity is a SEMLEP Growth Hub for businesses in the South - East Midlands. Velocity Growth Hub aims to simplify access to business support in local areas, helping businesses get the right support when they need it.

Velocity provide free, business support advice tailored to your business needs through:

- One-to-one support from trained business advisers
- Training and skills workshops
- Capital and revenue grants

James Button from James Button and Co Solicitors who is an independent Taxi/Private Hire Licensing Law Specialist will be present. He will talk about National Operators and the impact to local trades and also will take questions as to those licensing law issues which have been raised by the local trades

This is an exciting opportunity for local licence holders to seek advice on licensing and business growth direct from industry specialist.

The event is free to Luton Licence holders and to ensure attendance places can be booked online at:
