There are a variety roles and ways in which volunteers can contribute, such as:

- Promoting health and wellbeing to residents
- Encouraging and promoting independence and social inclusion amongst older and vulnerable people
- Helping children and young people to learn, develop and have fun.
- Being part of fantastic community events

...and much, much more!

Full training is provided, as well as the opportunity to gain a recognised qualification, where applicable.

Come along to our next welcome workshop and find out how you can become an Luton Borough Council Volunteer
