How often does your organisation procure electricity and gas contracts?

Energy contracts run for a 4 year period.

Do you procure contracts independently or via a contracting authority/ professional buying organisation? If applicable, please confirm details/name of the contracting authority/organisation.

We are members of the Central Buying Consortium and Kent County Council (trading as LASER) are the lead authority who purchase on our behalf.

When is the start and end dates of your current agreements/contracts?

Current energy contract runs from 1/10/12-30/9/16

Are the contracts based on a fixed or flexible basis?

Nearly all our contracts are for individual sites and are flexible.

Please can confirm contact details i.e. name and email address for the person/department responsible for the procurement of energy contracts?
