Reference Number: 789295

Response provided under: Freedom of Information

Date: 7 May 2014

Request and Response:

   Corporate solution is W2

   i. For the solutions above, the cost of the contract over the current term to date

      This is provided as part of our outsourced ICT provision contract, therefore it is not possible to specify costs for this individual aspect.

   ii. The current annual maintenance payments that the Council makes to its providers

      Please see I above

   iii. The renewal date and term for these contracts

      The ICT contract ends in November 2021

2. Has the Council currently deployed Microsoft SharePoint or are there future plans to do so

   Yes.
