Request and Response:

Q: I would like a list of car parks in Luton town centre with charges. There is a website called ring go but it comes up with places in Edinburgh and individual car parks but I would prefer a list please.

A: Information on Luton Car Parking can be found via the below links:

https://www.myringgo.co.uk/parkinglocator

or

http://www.luton.gov.uk/Pages/Homepage.aspx

then click on

Transport Streets
Parking and bus lane enforcement
Car Parks in Luton

Then type Luton in the drop down box (which has operator already written in it)

Then a list of car parks will appear with their charges
