Request and Response:

1) The number of cameras (CCTV/ANPR) used to enforce moving traffic offences on roads for which you are the responsible highway authority
   The Council currently operates five CCTV cameras for the purpose of monitoring Bus Lanes. We do not use any ANPR cameras for the same purpose although the Council does operate 6 ANPR cameras.

2) The total length of coverage from all your cameras (CCTV/ANPR) used to enforce moving traffic offences on roads for which you are the responsible highway authority
   We do not hold this information.
