Request and Response:

Request
Please find some questions which I would like responses from under the Freedom of Information Act.

1) Is recycling compulsory in your council?

2) Do you issue fines connected with recycling?

3) Please list all circumstances when people can be fined in connection with recycling.

4) Do you fine people for putting the wrong item in the recycling, or the wrong product in the wrong bin?

5) If applicable how much money have you made from fines connected with recycling?
   a) Please provide data for the last 2 full 12 months.

6) If applicable how much money have you made specifically from people putting the wrong item in the recycling or the wrong product in the wrong bin?
   a) Please provide data for the last 2 full 12 months.

7) If applicable, how much money have you made from fining people who do not recycle?
   a) Please provide data for the last 2 full 12 months.

Response

Recycling is not compulsory therefore no fines are issued.
