

Overview & Scrutiny

Annual Report 2013-14

A message from Councillor Doris Hinkley, Chair Overview and Scrutiny Board

“Welcome to the Overview and Scrutiny Annual Report, which explains the work of the Overview and Scrutiny Board (OSB) and its Task and Finish Groups during 2013-14.

Overview and Scrutiny is a vital part of Luton Borough Council’s responsibility to its residents. All non-executive councillors are eligible to participate in the work of scrutiny, to hold the Council’s Executive to account and help inform its decisions by reviewing and making recommendations to improve Council services.

Overview and Scrutiny also considers and makes recommendations on wider issues affecting the people of Luton. During the year it has worked closely with Community Safety Partnership, Free Schools, Luton Cultural Services Trust, Luton and Dunstable Hospital and other public and private sector partners, who have all contributed to the well-being of the people of Luton. I take this opportunity to thank the great many officers from the Council, as well as partners organisations,

who have, contributed openly and positively to scrutiny.

Finally, I also thank all my fellow Members who have participated in Scrutiny and put in substantial effort during the course of the year.

If you would like to contribute to overview and scrutiny, remember all scrutiny meetings are open to the public. If you want to find out more about overview and scrutiny, the Democracy Team will be pleased to supply you with more information. Contact details are listed at the end of this report.”

Councillor Doris Hinkley

Introduction

The last year has seen a continuation of challenges for local government. With a backdrop of reduced funding from Government this Council along with our partners are seeking ways to work more closely together. In this environment, the role of scrutiny is important and we have a clear responsibility to scrutinise the implementation of new approaches. In this report we have highlighted some of the significant activity that has taken place over the last year and considered the challenges to be faced over the next year.

The Chair of the Board in 2013-14 was Councillor Doris Hinkley (Liberal

Democrat) and the Vice Chairs were Councillors Michael Garrett (Conservative) and Councillor Amy O'Callaghan (Labour).

Key Scrutiny Work in 2013-2014

- **Working with External Partners and Local Communities**

Throughout the year, the Board received a range of reports and presentations from organisations and individuals from outside the Council to assist with overview and scrutiny work; these included Community Safety Partnership, Free Schools, Luton Cultural Services Trust, Luton and Dunstable Hospital

- **Working with the Executive/Portfolio Holders**

The Board has continued to be actively involved with the work of the Executive, regularly scrutinising the Executive's Forward Plan, which remains a standing item on the work programme. Monthly meetings are also held with the Chair and Vice Chairs of the Overview and Scrutiny Board. The Chair also has the opportunity to meet on a regular basis with the Leader of the Council, to discuss corporate issues facing the Council. The Executive Member Finance has a standing invitation to attend the Finance Review Group.

TASK AND FINISH GROUPS

The Overview and Scrutiny Board has the power and responsibility to set up time limited task and finish groups that focus on a particular issue and consider it in greater detail than is possible at the Overview and Scrutiny Board. These reviews will typically last around six months and will include a mixture of interviews with relevant Council officers and expert witnesses, research of best practice elsewhere, meetings with service users and community groups and consultation with the wider community. Membership of the task and finish group is drawn from all Members of the Council other than Executive Members and can be extended to include statutory and non-statutory co-optees and experts in the relevant subject area.

Outlined below is a brief summary of the work of the two standing sub-committees – the Finance Review Group and the Health and Social Care Review Group and the latest position in respect of current task and finish groups.

FINANCE REVIEW GROUP

The Finance Review Group (FRG) continued to sit in 2013/14 as a standing sub-committee of the Overview and Scrutiny Board (OSB). Its purpose includes:

It also reviewed Voluntary and Community Sector (VCS) funding, funding options for affordable housing and the overarching impact of measures to address budget pressures facing the council

The FRG reported and made comments and recommendations to the Executive on a number of occasions, which was mostly noted and/ or accepted, to help them make well informed and transparent decisions. A further key area to be scrutinised was the public accounts of various organisations receiving funding from London Luton Airport Limited (LLAL)

HEALTH AND SOCIAL CARE REVIEW GROUP

The Health and Social Care Review Group (HSCRG) continued to sit in 2013/14, as a standing sub-committee of the Overview and Scrutiny Board. It was the Council's arrangement for scrutinising how health and social care services were provided and developed for the community, holding NHS organisations to account and requiring them to listen and respond.

Its responsibilities include:

- Overseeing NHS and social care reforms in Luton;
- Holding decision-makers to account for commissioning decisions;
- Undertaking health and social care topical reviews and making recommendations for improvement;

The task and finish group, made up of six councillors, will also examine the Council's policies, procedures and practices; access to provisions; prevention measures; reporting procedures and safeguarding arrangements for children and

vulnerable adults. In addition, the review will include information from voluntary organisations and Bedfordshire Police who will be invited to give evidence on their response to victims of domestic violence.

The review is currently at the evidence gathering stage and has already received information from a variety of sources including the Independent Domestic Violence Advocates (IDVA's); Luton Borough Council's adult and children safeguarding teams; Jo Neale from the University of Bedfordshire who gave a presentation to members on the professional response to women in abusive relationships; Children Centres; Women's Aid and Luton Women's All Women's Centre.
