## **Foundation Safeguarding**

Saturday 29 June 2019, 9.30am to 3.30pm

[Leagrave Centre](#), Strangers Way, Luton LU4 9ND

Full day safeguarding training, suited for those who have never accessed safeguarding training.

This training links to Luton Safeguarding Children Board (LSCB) interagency policy, procedures and includes advice from LSCB and Luton Council.

The content includes but is not limited to:

- roles and responsibilities around recording and referring child protection concerns
- legislation
- how and when to share information
- identifying signs and symptoms of abuse, children's well-being and changes in behaviour
- identifying, and responding to inappropriate behaviour
- being displayed by other members of staff

A certificate of attendance can be supplied for attendance at this course.

## **Safeguarding refresher**

Thursday 20 June 2019, 7 to 9.30pm

[Leagrave Centre](#), Strangers Way, Luton LU4 9ND

This training is suited for those who have had previous experience safeguarding training.

This training links to Luton Safeguarding Children Board (LSCB) interagency policy, procedures and includes advice from LSCB and Luton Council.

It provides an alternative for workers who need to refresh but where it is neither appropriate nor necessary for them to repeat the full day foundation training.

A certificate of attendance can be supplied for attendance at this course.

## **'In Safe Hands'**

Managing allegations and concerns about adults in a position of trust

Saturday 14 September 2019, 9.30am to 12.30pm

[Leagrave Centre](#), Strangers Way, Luton LU4 9ND

This course provides an opportunity for all staff working in educational settings to draw upon research and learning from Serious Case Reviews and consider the safety of the culture within the organisations they work.

It will help delegates to:

- recognise the types of adult behaviours that should cause concern
- implement the safeguarding and child protection procedures for the organisation in order to safeguard children
- reflect upon the features of a safer organizational cultures and their role within it
- describe the processes involved in managing an allegation or concern and demonstrate understanding of the roles within the multi-agency process

A certificate of attendance can be supplied for attendance at this course.
