

Are you thinking of using a private tutor, tuition or study centre?

Make sure your child is safe, ask the right questions

- How does the centre recruit teachers or tutors? Do they get references for the tutors? Are the tutors DBS (formerly CRB) checked?
- What experience or qualifications does the tutor have?
- Does the centre or tutor follow a curriculum or plan? Will they change it based on the ability of your child?
- Is the building safe and secure? How do people access the facilities, is there a secure entry? Do they have fire exits?
- Does the tutor or centre have insurance liability?
