Version: 1.0 (Superseded/withdrawn on 4 April 2023)

Last updated: November 2022

This statement sets out Luton Council's flexible eligibility criteria for the Energy Company Obligation (ECO4) scheme from April 2022 to March 2026.

The ECO4 scheme will focus on supporting low income and vulnerable households. The scheme will improve the least energy efficient homes helping to meet the Government's fuel poverty and net zero commitments.

The flexible approach for Local Authorities (LAs) to identifying fuel poor and vulnerable households who may benefit from heating and energy saving measures is referred to as 'ECO4 Flex'.

The council welcomes the introduction of the ECO4 Flex eligibility routes as it helps the council achieve its plans to improve the homes of those in fuel poverty or vulnerable to the cold.

The council is publishing this Statement of Intent (Sol), on the **2 November 2022** to confirm that each of the households declared will adhere to at least one of the four available routes outlined below:

Contents

ECO4 flex eligibility routes	2
Declaration and evidence check confirmation	3
CEO or dedicated responsible person mandatory signature	3

ECO4 flex eligibility routes

Route 1

SAP bands D to G households with an income less than £31,000. This cap applies irrespective of the property size, composition, or region.

Route 2

SAP bands E to G households that meet a combination of two of the following proxies:

Note proxies 1 and 3 cannot be used together.

- **proxy 1:** Homes in England in lower-layer super output area (LSOA) 1 to 3 - check if your address is in a qualifying LSOA here: [eligible areas](#)
- **proxy 2:** Household receiving a Council Tax rebate (rebates based on low income only, excludes single person rebates)
- **proxy 3:** Household vulnerable to living in a cold home as identified in the [National Institute for Health and Care Excellence \(NICE\) guidance](#). Only one from the list can be used, excludes the proxy 'low income'.
- **proxy 4:** A householder receiving free school meals due to low-income
- **proxy 5:** A householder supported by a LA run scheme, that has been named and described by the LA as supporting low income and vulnerable households for the purposes of [NICE guidelines](#)
- **proxy 6:** A household referred to the LA for support by their energy supplier or Citizen's Advice or Citizen's Advice Scotland, because they have been identified as struggling to pay their electricity and gas bills.

Route 3

SAP bands D-G households that have been identified by their doctor or GP as low-income and vulnerable, with an occupant whose health conditions may be impacted further by living in a cold home. These health conditions may be cardiovascular, respiratory, immunosuppressed, or limited mobility related.

This is because we have identified a positive correlation between households who suffer from long-term health conditions and living off a low-income, with living in poorly insulated homes.

Route 4

SAP band D-G households that are referred under Route 4: Bespoke Targeting. Suppliers and LAs can submit an application to BEIS where they have identified a low income and vulnerable household, who are not already eligible under the exiting routes.

Declaration and evidence check confirmation

All potentially eligible households should apply through Luton Council or one of their approved ECO installers to ensure that they can either benefit from the scheme or be assessed for eligibility under any other relevant programme.

The officer below will be responsible for checking and verifying declarations and associated evidence submitted on behalf of the local authority:

- **name:** Shabir Hussain
- **job title:** Domestic Energy Efficiency Manager
- **telephone:** 01582 546789
- **email:** shabir.hussain@luton.gov.uk

CEO or dedicated responsible person mandatory signature

Luton Council will administer the scheme according to BEIS' ECO4 order and will identify eligible households via Ofgem's application process. The CEO of the council will oversee the process of identifying eligible households under ECO4 flex.

The eligibility information will be stored securely in line with:

- our [data protection policy](#)
- [Information Commissioner's Office data sharing code](#)
- [BEIS guidance](#)
