Durable Design

The steel surfaces are hot dip galvanised inside and outside with lead free zinc. The galvanisation has excellent corrosion resistance in outside environments and requires low maintenance.

Let's play green!

Ecocore panels

Made from highly durable and eco-friendly material that is not only recycled after use but also made from >95% post-consumer recycled waste.

LIFETIME* WARRANTY
*Lifetime of the product until the product is unusable or taken out of use

Site Notes

- Bin supplied by Luton BC and installed by KOMPAN.
- Trim trail, single bay swing frame and Wicksteed spinner to be removed.
- Wetpour surfacing to have a MOT sub base and trench edging.
- 9m2 of existing grass matting to be removed.
- 6m2 of topsoil and turf where we are installing new kit over areas of grass that aren't currently well established
