Durable Design

The steel surfaces are hot dip galvanised inside and outside with lead free zinc. The galvanisation has excellent corrosion resistance in outside environments and requires low maintenance.

Let's play green!

Ecocore panels

Made from highly durable and eco-friendly material that is not only recycled after use but also made from >95% post-consumer recycled waste.

LIFETIME* WARRANTY

- Stainless Steel Parts
- Hot-Dip Galvanised Posts
- EcoCore™ and other HDPE Parts
